Analytical Instruments for Process Industries

PH Transmitters for Process Industry

Dissolved Oxygen Transmitters for Process Industry

Conductivity Transmitters for Process Industry

PH Electrodes for Process Industry

ORP Sensor Auto Clean for Process Industry

Conductivity Sensor for Process Industry

Dissolved Oxygen Sensors for Process Industry

TDS Sensor for Process Industry

Hand Held PH, ORP, EC, TDS & Temp Meter

Multi Channel Controller for PH, ORP, DO, TDS Etc.

Float Level Switches for Liquids

Conductive Analyzer/Controller

Dissolved Oxygen Transmitter

PH Analyzer/Controller

PH Analyzer/Controller

Control Valves, Actuators, Positioners and Accessories

Globe Control Valves with Pnuematic Diaphragm Actuators

Control Valves with Electric Actuators

Control Valves with Hazardous area Electric Actuators

Three Way Control Valves

Butterfly On/Off Valves

Blow Down Valves

Self Acting Pressure Reducing Valves

Angle Seat On/Off Valves

Pneumatic Actuators

Electric Actuators

Multivolatge Electric Actuator with Manual Override

Electric Actuator with Rotation Angle and manual Override

Limit Switch Box

Solenoid Valves

Electro-Pneumatic Positioners

Smart Positioners

Declutchable Gearboxes

Air Pressure Regulators

I/P Converters

Electro-Pneumatic Positioners

Pannel and Field mounted Display, Controllers, Totalizers, Batch Controllers & View Recorders

Process Display with Analogue Input Signal

Universal Input Process Display

Process Display Analogue Input

Flow Rate Indicator/Totalizer Analogue Input

Strain Gauge, Load Cell and MV Display

Flow rate Indicator/Totalizer Pulse Input

Universal Input Temperature Display

PID Process & Temperature Controllers

Loop Powered Process Display

Loop Powered Process Display Intrinsically safe

Explosion Proof Loop Powered Process and Level Display

Explosion Proof Process and Temperature Display

Explosion Proof Batch Controllers

Explosion Proof Flow rate Indicator/Totalizer

Explosion Proof Alarm Annunciator

Alarm Annunciators

Process and Temperature Scanners

Multi Channel Controllers

Large Display Process/Temperature Meters

Light/Horn Enclosures

Portable Flue Gas Analyzers and Online Emission Gas Analyzers

Portable Flue Gas Combustion Efficiency Analyzer

Flammable Gas Analyzer

Combustion Control Unit for 3-8 Boilers

Toxic Gas Analyzer for CO, O2, & NO

Pressure and Draught Transmitter

Zirconium Oxygen Probes

Temperature Smoke Probes

Combustion Control Unit for 1-4 Boilers

Multi Component Flue Gas Analyzer

Flue Gas Probes

Portable IR Flue Gas Analyzer

Portable UV Flue Gas Analyzer

Portable Infrared Flue Gas Analyzer

Boiler Emission Monitoring System

Continuous Emission Monitoring System

Flow Meters for Diesel, Lubrication Oils, Chemicals and Diesel Pumps

Diesel Flow Meters Mechanical Counter Type

Diesel Flow Meter LCD Display Type

Diesel Flow Meter Mechanical Counter Type

Digital Diesel Flow Meters

Mechanical Diesel Flow Meter

Diesel Flow Meter LCD Display

Chemicals Flow Meter

Digital Urea Flow Meter

Digital Urea Flow Meter

Chemicals Flow Meter with Pulse Output

Diesel 75 Lit/min Pumps

Diesel 100 Lit/min Pumps

Diesel 150 Lit/min Pumps

Batch Controllers

Diesel Flow Meters Ovalgear Type

Lube Oil Flow Meter

Lube Oil Flow Meter

Lube Oil Flow Meter with Pulsar

Mechanical Type Lube Oil Flow Meter

Fuel & Oil Flow Meter Flanged Type

Gas Leak Detection and Environmental Instruments

CO2 Gas Leak Detector with IR Sensor

1 Zone Central Controller with Recessed Sensor

Combustible Gas Leak Detector with Display

Combustible Gas Leak Detectors

Portable Multi Gas Monitors

Potable Multi Gas Monitor

Micro IV Portable Monogas Monitor

Portable Combustible Gas Leak Detectors

Industrial Gas Detector with Replaceable Cartridge

Control Unit with Display for 3 Remote Sensors

Central Monitoring Controller up to 6 Sensors

Central Monitoring Controller upto 24 Sensors

Central Monitoring Controller upto 200 Sensors

Siren for Safe Area

Optical Alarm Signal Explosion proof

Combustible Gas Detectors

Multi-channel Control Panel

Portable Multi Gas Detector

CO and NO2 Gas Detectors for Car Parking Zones

Multi-Channel Controller for Car Parking

Gas Flow Meters for Natural Gas, Compressed Air, LPG Vapors, Steam and other Gases

Diaphragm Type Gas Meters for Natural Gas/LPG Vapors

Prepaid Diaphragm Type Gas Meters for Natural Gas/LPG Vapors

Turbine Type Flow Meters for LPG Vapors

Thermal Mass Flow Meters for Natural Gas/LPG Vapors

Vortex Mass Flow Meters for Natural Gas/LPG Vapors/Air

Rotary Type Gas Flow Meters for LPG Vapors

Positive Displacement Type Gas Meter for LPG Vapors

Ultrasonic Type Gas Meters for Natural Gas

Rotary Gas Meters for Natural Gas

Turbine Gas Meters for Natural Gas

Quantometers for Natural Gas

Quantometers with Electronic Display for Natural Gas

Volume Correctors for Natural Gas

Thermal Mass Compressed Air Flow Meters

Vortex Mass Flow Meters for Steam.

Thermal Mass Flow Meters for Industrial Gases

Ultrasonic Bio Gas Flow Meters

Ultrasonic Natural Gas Flow Meters

Ultrasonic Bio Gas Flow Meter

Vorcone Flow Meter for Natural Gas and Steam

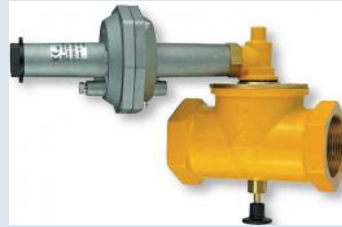

Gas Train Instruments, Valves, Pressure Regulators, Filters, Salam Regulators

Gas Governors

Slam Shut Off Valves Flanged

Slam Shut Off Valves Threaded

Gas Filters

Automatic Gas Valves Fast Opening/Fast closing

Gas Pressure Relief Valves

Gas Regulator with Slam Shut Off and UPSO/OPSO

Gas Solenoid Valves

Pressure Gauge Holder Valve with Push

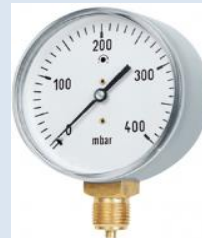

Pressure Gauge Holder Valves

Jerk Handle Valves

Gas/Air Pressure Switches

Gas Pressure Gauges

Gas Ball Valves

Gas Valves

Hand Held Differential Pressure Manometers

Portable Multi Gas Detector

Industrial Gas Detector with Replaceable Cartridge

Control Unit with Display for Gas Sensors

Combustible Gas Leak Detector with Display

Level Transmitters, Level Switches and Level Gauge Glasses

Ultrasonic Level Transmitters for Liquids & Slurries

Ultrasonic Level Transmitters for Solids

Bypass Liquid Level Transmitters with switches

Capacitive Level Transmitters for Liquids

Non-Contact Microwave Level Transmitters for Liquids

Guided Microwave Level Transmitters for Liquids, Powders and Granules

Hydrostatic Level Transmitters for Liquids

Magnetostrictive Level Transmitters for Liquids

Ultrasonic Level Transmitters for Liquids

RF Capacitance Level Switch for Liquids and Solids

Float Level Switches for Liquids

Conductive Level Switches for Liquids

Magnetic Coupling Level Switches for Liquids

Magnetic Tracking Level Switches for Liquids

Vibrating Fork Level Switches for Liquids

Vibrating Fork Level Switches for Solids

Vibrating Rod Level Switches for Powders and Granules

Rotary Paddle Level Switch for Powder and Granules

Ultrasonic Proximity Sensors

Differential Pressure Transmitter for Liquid Level

LPG Vaporizers, SNG (LPG/Air Mix) Plants and other LPG Equipment

LPG Vaporizers

Burner Type LPG Fired Vaporizers

PLC Type High Pressure SNG Plant

Venturi Type SNG Plant

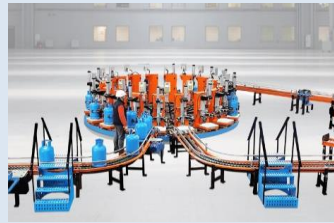

LPG Cylinder Filling Scales

LPG Pumps

LPG Compressors

LPG Cylinder Filling Carousel

LPG Autogas Dispensers

LPG Hose Pipes

Zimmer Electric LPG Vaporizer

Torrexx LPG Vaporizer

Second Sun LPG Tank Heaters

LPG Vapor Filters

Ammonia Vaporizers

Earthquake Gas Shutoff Valves

GMX Fuel Conditioners/Savers

Gas Metering Skids

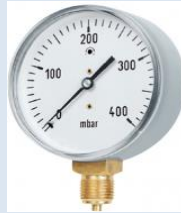

LPG Meters for Decanting and Delivery

Pressure/Temperature Gauges/switches and Accessories

Pressure Gauges All Stainless Steel

Pressure Gauges with Brass Connection

Digital Pressure Gauges

Digital Pressure Gauges

Digital Pressure Gauges with Transmitter Output

Pressure Gauges with Set Point Needle

Differential Pressure Gauges

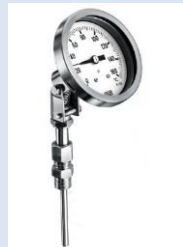

Temperature Switches with capillary type Sensors

Pressure Gauges with Switch Output

Weatherproof Pressure Switches Diaphragm Type

Temperature Gauges

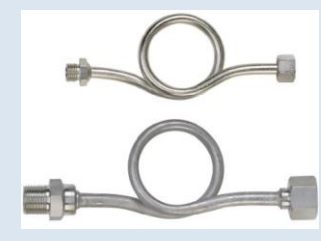

Temperature Transmitters

Pressure Switches

Thermowells

Syphons Steel

Gas Valves

Pressure Gauges Accessories

Diaphragm Seals

Pressure Gauge Holder Valves

Pressure Gauge Holder Valve with Push

Pressure, Differential Pressure and Hydrostatic Type Level Transmitters & Switches

Gauge & Absolute Pressure Transmitters

Pressure Transmitters Compact Type

Differential Pressure Transmitters for Level & Flow

Differential Pressure Flanged Type Level Transmitter

Diaphragm Seal Type Level Transmitters

Gauge & Absolute Pressure Transmitters

Differential Pressure Transmitters for Level & Flow

Pressure Switches Programmable type

Differential Pressure Transmitter for HVAC

Differential Pressure Transmitters for HVAC

Universal Pressure Transmitters

Flush Diaphragm Type Pressure Transmitters

Hydrostatic Pressure type Submersible Level Transmitter

Digital Pressure Gauge with Transmitter

PG Series Pressure Transmitters

PS Series Hydrostatic Pressure type Level Transmitters

Differential Pressure Transmitter DX China

Pressure Transmitter DX China

Air/Gas Pressure Switches

Differential Pressure Switches

Signal Conditioners, Isolators, IS Barriers, Safety Relays & Power Supplies

Analogue Signal Converters I.S and Non I.S SIL 3

Temperature Signal Converters I.S and Non I.S SIL 3

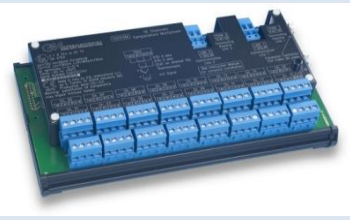

Repeaters/Power Supply I.S and Non I.S SIL 3

Safety Relays SIL 3

Surge Arresters SIL 3

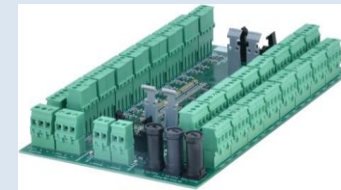

Hart & Intrinsically Safe Multiplexers

Intrinsically Safe Power Supplies SIL 3

Power Supply Systems SIL 3

Termination Boards HART

Elcon Adapters

Analogue Signal Isolators

Isolated Safety Barriers

Universal Input Temperature Transmitters

Passive Signal Isolators

Switch Signal Isolators

Universal Isolating Signal Converters/Splitter

Analogue Input Programmable Signal Converters

PT100 Input Temperature Transmitters

Intrinsically Safe Isolator/Power Supply

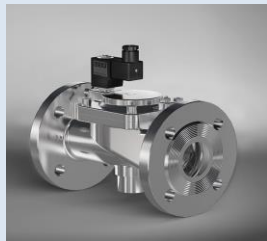

Power Supplies

Solenoid Valves General Purpose, High Pressure and Temperature, Cryogenic Type

General Purpose Threaded SOV

General Purpose Flanged SOV

Diaphragm Design SOV

Piston Design SOV

Piston Design SOV

Nipple Seat SOV

Poppet Design Flanged SOV

Diaphragm Design SOV

Pressure Controlled type in Poppet Design

Pressure Controlled type in Poppet Design Threaded

Pressure Controlled type in Poppet Design Flanged

Pressure Controlled type in Poppet Design Flanged

Pressure Controlled type in Piston Design Flanged

3/2 Pressure Controlled type in Poppet Design Threaded

3/2 Pressure Controlled type in Poppet Design Flanged

Pressure Controlled type in Diaphragm Design PFA Lined

3/2 Way High Pressure SOV with Nipple Seat

2/2 Way High Pressure SOV Piston Design

2/2 Way High Pressure SOV Piston Design

2/2 Way High Pressure SOV Piston Design

2/2 Way Pilot Pressure Controlled SOV Piston Design

Pressure Controlled type in Peppet Design

2/2 Way High Temperature SOV Piston Design

2/2 Way High Temperature SOV Piston Design Flanged

2/2 Way High Temperature SOV Piston Design

2/2 Way High Temperature SOV Piston Design Flanged

2/2 Way High Temperature SOV Piston Design Flanged

Pressure Controlled High Temp Peppet Design SOV

Pressure Controlled High Temp Peppet Design SOV

2/2 Way Cryogenic SOV Piston Design

2/2 Way Cryogenic SOV Piston Design Flanged

2/2 Way Cryogenic SOV Piston Design

2/2 Way Pressure Controlled Cryogenic Peppet Design SOV

2/2 Way Cryogenic SOV Piston Design

2/2 Way Cryogenic SOV Piston Design

Temperature & Humidity Sensors and Transmitters

Multi-joint Temperature Sensors for Storage Tanks.

Temperature Transmitters with Integral Sensors

Temperature Sensors for Gas Applications

Temperature Sensors Threaded and Flanged Type

Temperature Sensors with Flanged or Threaded Thermowells

Temperature Sensors Explosion Proof Type

Temperature Sensors Thermocouple Type

Thermocouples for High Temperature Application

Temperature Sensors for Duct Type Installations

Temperature Transmitters with LED Display

Temperature Transmitter with LCD Display

Temperature Transmitters Head Mount Type

Temperature and Humidity Transmitters

Humidity & Temperature Transmitters

Temperature Sensors and Transmitters

Temperature Signal Converter SIL 2

Temperature Signal Converter Intrinsically safe SIL 2

RTD Temperature Transmitter DIN Rail mounted

T/C Temperature Transmitter DIN Rail Mounted

Two Wire Temperature Transmitter

Test and Calibration Instruments

HART Modem for Nivelco Products

Panel Mount 4-20 mAdc Set Point Generator

Low Cost Signal Generator

Multi Function Process Calibrator

Hart Modem for Alia Products

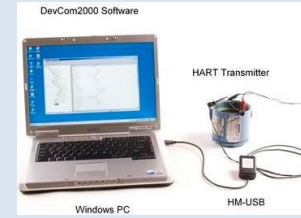

Multi Function Calibrator

Hart Communicator for Alia Products

Android Phone Hart Communicator

PC based Hart Communication Software & Modem

Hazardous Area Modem for FF, Profibus, PA & Hart

Dry Block Temperature Calibrators

Digital Test Pressure Gauges

Hydraulic Pressure Calibrator

Pressure Comparator with Digital Gauges

Dead Weight Testers

Pneumatic Pressure Calibrators

Hand Held Pneumatic Pressure Calibration Pump

Automatic Hydraulic Pressure Comparator

Dry Block Temperature Calibrator

Temperature & Humidity Calibration System
