### **Delivery Information**

At MACS, we understand the importance of reliable delivery service when shopping online. Particularly when the items are frequently essential for your daily work. If your goods are required by a certain date, please feel free to contact us for an honest and realistic indication of whether this can be met. We aim to process all orders we deliver same day, however from time to time we do have an increased demand for certain products or there might be delays from the manufacturer. In such cases delivery of your equipment may be subject to a minor delay.

For Lahore Customer they can collect from our office with prior appointment.

**Delivery for stocked items:** 3-4 working days after receipt of Payment in our accounts.

**NOTE: We will not be responsible for delay in shipment due to courier services.**
